## TO ALL STUDENTS OF THE INDUSTRIAL TECHNOLOGY AND DESIGN FACULTY:

### Certificate I in Construction / Certificate II in Engineering Pathways

To conform to Occupational Health and Safety Requirements, students doing practical workshop subjects will be required to **provide their own eye and hearing protection** and **steelcap work boots**.

In addition to the above, students will be required to provide and bring to all practical classes, a suitable pencil and 5 metre retractable tape measure. Most vocational studies students involved in structured work placement will be required to supply the above whilst at work.

#### Certificate I in Construction

Strong A4 display folder with plastic sleeves.  
2xHB pencils  
Pocket notebook  
5m retractable tape  
2xblue pens  
eraser

#### Certificate II in Engineering Pathways:

Strong A4 display folder with plastic sleeves.  
Students will be required to have industry standard protective clothing as worn in the engineering work places. Many students wear sports uniform to school. This clothing does not provide adequate protection when operating industrial equipment.  
Minimum protective clothing would be blue cotton overalls and leather school shoes or long blue cotton work trousers with a long sleeved blue cotton shirt. Compliant leather school shoes are adequate.

### Textbook Issue Dates

St Patrick's College operates a text book hire scheme and books are issued from the library. To facilitate this, the library is open to issue textbooks to students from Monday to Thursday from 7:30am – 4:00pm and Friday 7:30am – 3:30pm.

Students have three ways to collect their texts:

1. Personal visit and wait for collection – same day service
2. Drop off your subject list in the morning and collect textbooks between 3.00-4.00pm same day
3. Email your name, preferred collection time (see above times) and complete subject list to [library@stpats.qld.edu.au](mailto:library@stpats.qld.edu.au)
4. Bring your device and load electronic textbooks immediately – available for selected titles only.

### Lockers

Lockers are available to all students for the purpose of securing texts and books at a cost of \$15. Lockers can be paid for at the Finance office. On presentation of your receipt at Reception you will be issued with a locker number and code.
