Student Protection Contacts

Under the Education (Accreditation of Non-State Schools) Regulation 2001 (Regulation 10(4)), Schools administered by Catholic Education (Diocese of Rockhampton) have at least two nominated staff members to whom a student can report behaviour of another staff member that the student considers inappropriate. The names of these Student Protection Contacts are made known to staff, students and parents and the names/positions/contact details of stated staff members for the school are maintained on a central register, updated regularly.

At St Patrick's College, Mackay, the Student Protection Contacts are:
